

International Student Program Medical Form

All international students must have a medical examination by a licensed physician before admission to the London Christian Academy. Those students entering Canada on a student visa must follow medical guidelines set out by Citizenship and Immigration Canada. Those students who will be in Canada for less than six months will not need a student visa, and thus may have a medical examination done by a physician of their choice.

Please answer the following:

Student's Legal Name: _____

1. Physical condition:

2. Does your child have any of the following?

Diabetes ____ Hearing Problem ____ Heart condition ____

Asthma ____ Vision Problem ____ Contact Lenses ____

Epilepsy ____ Allergies ____ Other ____

Briefly explain above condition(s) if they are checked off.

3. Is your child able to participate in a full Physical Education Program?

Yes ____ No ____

(A doctor's certificate is required for exemption from Physical Education class.)

If no, please explain:

Please attach the following medical forms to this document:

1. A list of immunizations and the dates they were administered.
2. A standard health form that indicates the student has undergone a medical examination and is in good health. The attending physician must sign this form.
3. The forms must be translated into English.
