WELCOME TO LONDON CHRISTIAN ACADEMY

Welcome to London Christian Academy! We are so glad that you are taking this time to discover LCA and to decide if LCA is the right academic choice for your family. As you read these pages, our hope is that you will get to know our purpose and our personality. We have 40+ years of experience in positively impacting the lives of students. Could this be the year that your family benefits from “Life at the Academy”?

A LETTER FROM THE FUTURE

Dear Mom & Dad,

Wow! Can you believe it? I'm graduating from LCA today. Grade 8 already; I guess time really does fly when you're having fun! As I'm getting ready to say goodbye to this school and to this phase of my life, I just can't help but think back on all the good things about attending LCA. There were so many highlights to my time here that I hardly know where to start!

A FIRM FOUNDATION

Most importantly, I am thankful for how my time at LCA helped me to solidify my faith in God. Having all of my school subjects taught from a Christian worldview, by godly men and women, helped me to see that faith in God isn't just a Sunday thing: God is the point of every area of life. I don't think I would have seen that as easily if it hadn't been reinforced every day, in every class. Having many different denominations represented in the school was cool too. It was amazing to be surrounded by so many people with the common goal of growing in faith in Christ. With high school approaching, I know there will be new challenges to my faith ahead, but I feel much more able to face that pressure thanks to the faith foundation laid at LCA.

ROLE MODELS

And speaking of those godly men and women, I loved my teachers! Thanks to them, I received a great academic experience. I know that, because LCA follows (and often exceeds) the Ontario curriculum standards, I am well set up for high school. But what I loved most was that I had a chance to have my teachers as role models and mentors too. They lived out their faith in front of the students, and they truly cared about each of us. Because of the small class sizes, they had time for us. They treated each of us as individuals, not as just another face in a crowded classroom.

INCRE DIBLE FRIEN DS

One of the hardest parts of leaving LCA will be leaving my friends, but we have grown so close over these years that I know we'll stay connected even if we end up at different high schools. Some of my friends' parents were LCA students, and they are STILL in touch with their old classmates... so it looks like LCA friends are friends for life! LCA provided opportunities for me to connect with kids I wouldn't have met otherwise; some of them were even international students! The Special Education program at LCA allowed me to develop friendships with kids who taught me that we are all children of God, and we all have a place in His family.

LIFE LESSONS

Some of my greatest memories were made on the fields, courts, stages, and concert halls that LCA took me to. I am so thankful for those chances to discover and develop the gifts that the Lord has given me. The coaches and directors at the school knew just how to challenge me in various skills. From band and choir to intramural and competitive team sports, I was able to increase in knowledge and confidence, which is impacting every area of my life.

STEPPING OUT

Beyond our academic abilities and our skills training, the LCA teachers made sure that we developed leadership skills too. Thanks to the Community Outreach program, we were encouraged to move out beyond the walls of the school to serve the Lord by serving both the local and global communities. Interacting with people at a food bank, in a retirement home, and on our street gave me opportunities to love others and to increase in confidence. And writing letters to our compassion children and stuffing shoeboxes for operation Christmas Child reminded me that, while the needs in the world are far-reaching, if we all do our part we can make a difference in the world for the Lord.

BECAUSE OF YOU...

Mom and Dad, I guess I just want to say thank you for sending me to LCA. I know it wasn't cheap. And I know you had to sacrifice a lot to be able to enroll me each year. But we sure had fun at the fundraisers, didn't we? And it was cool to see so many families working side-by-side to provide this kind of education for their kids. We were all in it together! I would like to say that I was worth every penny! But really, it is the high-quality, educational and spiritual experience at LCA that is worth every penny. I hope you can see the difference that being at LCA has made in me; I sure can! Now, I wonder if there is a way to sneak back into the school for another few years. Think I could pass off as a Kindergartener? (Ha!)

ABOUT THE ACADEMY

QUALITY & COMMITMENT

LCA has been providing high-quality, Christian education to children from London and the surrounding rural areas for over 40 years. We are affiliated with the Ontario Alliance of Christian Schools (OACS), an organization that connects over 75 schools across Ontario.

While our emphasis is on having a strong Christian perspective in all areas, academic excellence is also a top priority. The curriculum taught at LCA (by Ontario-certified teachers) meets, and often surpasses, the standards of the Ontario Ministry of Education guidelines. The results of standardized testing confirm our commitment to pursuing excellence as our students consistently score in the top 25th percentile of elementary schools across Canada.

Four decades of success speak on LCA's behalf: now, we'd love for your family to enjoy the LCA experience.

THE APPLICATION PROCESS

How can you know that London Christian Academy is right for your family? We'd love to help you answer that question. Call our office at (519) 473-3332, and let us answer any questions you may have. From there we can offer you a tour of the school, we can introduce you to some of our teachers and staff, and we can walk you through the entire interview and application process.

TUITION POLICY & FEES

LCA strives to provide affordable Christian education. Our tuition is competitive with other private schools, and we are diligent in keeping the cost of enrollment down. Through multiple fundraisers, family rates, bursary applications, and tax incentives, the tuition costs at LCA are made manageable.

Visit londonchristianacademy.ca/tuition for more information, or call the school office to get the specific details of what your child's education will cost.

CONSIDER THE LONG-TERM BENEFITS

As you work through the deciding factors of whether or not LCA will become your child's academic home, it is important to consider the long-term benefits of Christian education.

You are working hard to share your values and beliefs with your children. When you consider that your children will be in school for approximately 35 hours a week, it becomes very appealing to plan for those hours to be spent with people who will reflect and reinforce the values you are teaching at home. Whether your children are just starting into the school system or they are in the midst of their elementary school careers, London Christian Academy is a great option. The staff of LCA would love to come alongside your family and help your child lay a life-long foundation of faith in Christ.

85

London Christian Academy is an interdenominational, Christian elementary school providing affordable education from a distinctly Christian perspective to students in Junior Kindergarten through to Grade 8.

Contact our school today and discover the advantage of the LCA experience.
